

HOOSIER FEEDER™

CLIP PLACEMENT SYSTEM

High-Speed Automotive Plastic Clip Assembly System

HOOSIER FEEDER™

Hoosier Feeder specializes in delivering high-quality and efficient feeding, orienting, and conveying solutions. Offering custom-built vibratory feeder bowls, centrifugal feeder bowls, conveyor systems, and more. We take pride in serving industries worldwide with dependable automation equipment.

Clip Placement System

Our Clip Placement System is designed to feed clips at high rates of speed in automotive assembly applications.

- Patent-pending clip feeding system
- Feeds clips at a rate 3x faster than conventional methods, increasing throughput
- Simple integration with assembly stations or other equipment
- Compact footprint for maximized floor space
- Fast delivery, and quick and straightforward installation
- 1-year limited warranty
- Installation and service also available

Applications include:

- Automotive Assembly

Ideal for:

- Clips for Automotive Interior Panels & Plastics

High-Speed Automotive Plastic Clip Assembly System
